- Collaboration connects BetRivers' online casino and sportsbook with Gateway Casinos' Edmonton properties as the regulated iGaming market opens in the province -

EDMONTON, AB – August 26, 2026 – BetRivers, the online casino and sportsbook brand operated by Rush Street Interactive (RSI) (NYSE: RSI), and Gateway Casinos & Entertainment Limited (“Gateway”) today announced a new partnership — the only one of its kind in Alberta — to deliver a premium, best-in-class experience to brick-and-mortar casino players.

The partnership pairs BetRivers' award-winning digital platform with Gateway's Edmonton entertainment destinations, which is expected to bring players unique events and promotions at Grand Villa Casino in the ICE District, at Starlight Casino inside West Edmonton Mall, and online at ab.betrivers.ca.

“Alberta is a market we've been preparing for, and our partnership with Gateway lets us welcome players in a way no one else can,” said Richard Schwartz, Chief Executive Officer at Rush Street Interactive. “By pairing our best-in-class platform with two of Edmonton's landmark entertainment destinations, we’re giving Albertans more ways to play, more reasons to visit, and more to look forward to as we grow in the province.”

With a shared player-first approach, the partnership puts entertainment at the centre of it all, whether Albertans are on the casino floor or online. Events and promotions kick off this summer, with more to be announced throughout the year.

“Gateway has called Alberta home for more than two decades, with our Edmonton properties sitting at the centre of the city's entertainment scene. Now, through our partnership with BetRivers, that experience doesn’t stop at our doors,” said Tolek Strukoff, Chief Executive Officer of Gateway Casinos & Entertainment. “Whether in person or online, Albertans can enjoy three great places to play.”
